WAFFLE PRODUCT BRANDS:

Debuted in February 2021, Wow Wow Classic Waffles are available in three flavors, Sweet Vanilla, Strawberry Delight and Maple Syrup. Individually wrapped in 2.1 ounce packages, Wow Wow Classic Waffles are a classic treat with just enough sweet, perfect for K-12 breakfast in the classroom and lunch programs.

Waffle Envy, Artisan Belgian "Liege" Waffles (pronounced LEE-AGE) are not your average waffle. The brioche-inspired dough makes them richer, sweeter, and a little denser than your traditional Belgian Waffle or standard batter-based waffle. Special Belgian pearl sugars are folded into the dough which gives the waffle a light subtle crunch and sweetness. Waffle Envy Artisan Belgian Liege Waffles are available in four flavors, [Maple](#), [Strawberry](#), [Vanilla](#) and [Blueberry](#). They are individually wrapped and offered in two sizes, 2.3 ounce and 1.8 ounce [Smart Snack](#) size options for K-12 à la carte programs.
